Housing Deposit needed: yes

Employee Benefits: free ski pass; staff ski trips to other resorts; discounts at bars and restaurants; rentals discounts; free-discounted access to many resorts in the area.

Guidelines: There are a number of factors we look for in applicants. Eagerness, maturity and we want people who are coming over for the right reasons. We want those people who are coming over for the experience and not just to make money. When you live in a country you tend to take it for granted, which is why we like hiring international staff too. Generally, conservative, neat and clean presentation required.

Resort Summary: Panorama Mountain Village is a family ski resort located in the Canadian Rockies region of British Columbia. Panorama offers first class on and off piste skiing and snowboarding, as well as a friendly pedestrian village in a mountain valley with rugged Canadian scenery. Panorama is a whole different working experience that allows you to enjoy all the fun of vacation in a truly Canadian setting and all the gratification of meeting people from the furthest corners of our great world, yet able to walk into the Pub and have everyone know your name!
